

Trademark Registration

Protect your logo, brand or slogan by registering your unique mark. A trademark must be:

- Distinctive instead of descriptive;
- Registered with the appropriate authority to obtain legal ownership and protection rights;
- Capable of being represented;
- Not the same as or similar to a well-known mark or a trade mark already registered.

FAQ's

Overview of Trademark Registration

A trademark means a mark (which include a device, brand, heading, label, ticket, name, signature, word, letter, numeral, shape of goods, packaging or combination of colours or any combination thereof) capable of being represented graphically and which is capable of distinguishing the goods or services of one person from those of others and may include shape of goods, their packaging and combination of colours. Registration of a trademark allows you to protect your brand, logo or slogan which has been built by putting a lot of hard work. Application for registration of trademark is required to be made with Controller General of Patents, Designs and Trademarks, Office of Registrar of Trademarks and such an application can be made both online or offline.

Things to Know

WHO CAN APPLY FOR REGISTRATION

Any person claiming to be the proprietor of the trade mark in relation to goods and/ or services may apply for registration of a trademark. For this purpose, person include individual, body corporate, partnership firm, HUF, association of persons, joint oprietor, trust, society or a government authority/ undertaking.

TRADEMARK TO BE APPLIED FOR REGISTRATION

The Trade Mark being applied for registration may be:

- already in use; or
- proposed to be used or intended to be used; Or
- intended to be assigned to a company that is about to be formed and registered under Companies Act, 2013 with a view to use thereof in relation to those goods and services by the company

CLASSIFICATION OF GOODS AND SERVICE

For the purpose of registration of trademark, the goods and services shall be classified as per the current edition of “the International Classification of Goods and Services (NICE Classification)” published by World Intellectual Property Organization (WIPO).

BENEFITS OF TRADEMARK REGISTRATION

The registration of a trademark provides the registered proprietor absolute right to use the trademark in relation to the goods or services in respect of which the mark is registered. After registration, registered proprietor of a trademark can protect the goodwill of his products or services.
